Content of proposed activities

JUDO	SELF-DEFENSE	ENGLISH* 
<p>Judo is a combat sport that has its origins in Japan, it is a gripping sport that is practiced with a judogi (kimono). Balance sport, educational sport, judo allows everyone to become more skillful, more flexible, stronger but also to learn to respect the rules, to discover mutual aid, to evaluate its strengths and weaknesses to progress.</p> <ul style="list-style-type: none"> - Initiation and development - Develop motor skills and flexibility - Learn to follow rules - Learn to persevere - Learn to manage stress <p>* Loan kimono if needed</p>	<p>A natural extension of judo practice, Jujitsu is a defense-based art that excludes risk. Jujitsu is a method of defense based on self-control and opponent control.</p> <ul style="list-style-type: none"> - Initiation and development - Loan of specific equipment (helmet, gloves, etc.) <p>* Loan kimono if needed</p> 	<p>Children will have the opportunity to discover, learn or improve their language skills through an intensive immersion program.</p> <ul style="list-style-type: none"> - Initiation and development - Playful awakening workshop based on the musicality of the English language for a smooth initiation - Songs, games and stories - Workshop focused on understanding and speaking - Workshop to improve oral and written skills <p>The + : group emulation, a true learning engine, a friendly but studious atmosphere, interaction between children that makes it possible to improve communication and listening,</p> <p>* On request Fench courses</p>

Content of proposed activities

CHESS

A game of reflection, chess promotes concentration, observation and analytical skills. Failures also improve the ability to solve problems and develop memory.

- Initiation
- Practice with friends

DRAWING

In a relaxed and creative atmosphere, this workshop is dedicated to artistic practice and allows to participate in privileged moments of exchanges and personalized advice. The drawing workshop includes a supervised framework, all the supplies necessary for the realization are provided.

- Initiation and Development
- Acquisition of bases
- Discovery of artistic techniques
- Practice

MANUAL ACTIVITIES

In a relaxed atmosphere, this workshop allows children to share a moment of sharing and creativity.

Create, do, let yourself be guided by your imagination, work with your hand and mind simultaneously.

The manual activities are ideal for child development, they allow to put into practice skills such as coordination, fine motor skills, concentration

* supplies required for completion are provided

Content of proposed activities

WATER GAMES

Several times a week, with inflatable pools and treadmills,

Group games around the theme of water

QUIET TIME

For the little ones or those who want it, in the form of reading or quiet activities (board games, drawing, ...)

WORKSHOP CAKE

Put on your apron, prepare the utensils, weigh the ingredients and share a special moment, a gourmet moment where recipes are explored with a small grain of sugar and creativity.
